WALKING IN LOVE

God's Greatest Command of You

Letrece Harris, Founder

Covenant Partner, Do you know that the greatest force on this earth is love? And the reason is because God is love.

He showed us just how much He loved us in **John 3:16, For God so loved the world, that He gave His only begotten Son, that whosoever believeth in**

Him should not perish, but have everlasting life. our lives in a different way.

How is your love walk? Are you glorifying God in how you serve others? **John 15:13 says, Greater love hath no man than this, that a man lay down his life for his friends.**

We often think that laying down your life for someone else in terms dying because that is what Jesus did. But God wants us to lay down

When you die to self-the carnal man-you take your eyes off of your own desires and become more concerned for your brother. It is then the love of God will begin to operate in your life and you will begin to give of yourself to help meet the needs of your brother.

Romans 15:1 says, We then that are strong ought to bear the infirmities of the weak, and not to please

ourselves.” Walking in love is not about what I can get, but what can I do for you. Today make an exerted effort to do a kind deed for someone. Let the love of God radiate from your life.

And thank you for your SEED of LOVE to help advance God's Kingdom.

*Many Blessings
Letrece*

POWER OF YOUR WORDS

Do you know the power of your words? Do you know when you open your mouth your are speaking either death or life.

Proverbs 18: 21 says, Death and life are in the power of the tongue, and they that love it shall eat the fruit thereof.

In the kingdom of God, the confession engine of the word is where the power lies. Begin to speak the word over your life, your family and dreams.

Romans 4:17...and God who called those things which be not as though they were. He created this earth with words.

Be careful with what you allow to come out of your mouth. James compares the tongue like that of a rudder on a ship. A rudder as small as it is, steers the path of the ship. You have a rudder in the tongue. What you say will lead you to your destiny. God has given us the

ability to create with our mouths just like He did in Genesis. Speak the wisdom of God which is His word.

Make *Daily Declarations* of His word over your life and know that blessings are on the way!
